

## **SAMPLE PLAIN ENGLISH EULA FOR THE FONTRY**

(End User's License Agreement)

The FONTRY owns the copyrights to the fonts contained in the item: **IRON MAN OF WAR** font family. The user/licensee, i.e., AS LISTED ON THE RECEIPT FOR THE PURCHASE OF THIS FONT FAMILY, has the exclusive, unlimited rights and freedom to use the aforementioned font(s) commercially and royalty-free in any form of print, advertising, electronic media, signage, webfonts, etc.

Potentially, this license may not cover special licensing arrangements such as OEM, apps, multi-user licensing, interactive licensing, etc., unless otherwise specified by The FONTRY.

The buyer is also under no obligation to pay recompense or royalties to the Fontry based on profits that might accrue from the use of these fonts. The Fontry is also not obligated to pay compensation for losses due the use of these fonts. The buyer does not have the right to sell these fonts, redistribute them, give them away, remaster them or copy them for any reason other than data backup or file transfer to a third-party service, such as a service bureau, screen printer, sign shop, etc., for use in the production of the licensee's products only. A multi-station, multi-user license may not be required if the fonts are used by the buyer within the confines of the business or entity for whom these fonts were originally purchased. This agreement does not expire.
